

# Planning Policy Framework, Integration version March 2014

**Revised SPPF with draft *Plan Melbourne* and RGPs included, and showing potential integration of local policy.**

---

This document has been prepared by the SPPF Review Advisory Committee.

This document is based on the Advisory Committee's interpretation of the October 2013 version of Plan Melbourne, and the December 2013 versions of Regional Growth Plans.

The Committee proposes that state policy appears in each scheme, but regional policy appears only in relevant schemes. Local policy would appear only in the scheme to which it applies. All state and regional policy would appear in the Victoria Planning Provisions, but local policy would not.

This version shows the how policy would apply in the:

## ABOUT THIS DOCUMENT

---

This document has been prepared by the SPPF Review Advisory Committee.

It is document a 'work-in-progress' of the Committee for comment. Comments are sought until 23 May 2014. An information package containing and explaining this document as well as general information about consultations and the actions of the Committee can be found on the website of the Department of Transport, Planning and Local Infrastructure at [www.dtpli.vic.gov.au/planning](http://www.dtpli.vic.gov.au/planning). Go to the section listing current planning panels and advisory committees.

The Committee is headed towards an integrated version of state, regional and local policy to replace the SPPF and LPPF and provide a more streamlined and easy to interpret presentation of policy.
