

The Hon Richard Wynne MP, Minister for Planning

Response to the Government Land Standing Advisory Committee

I referred the proposed planning provision changes to 6 Lawrence Street, Beaufort and 21 Camp Hill Road, Beaufort to the Government Land Standing Advisory Committee (advisory committee) for review and consideration.

To inform the advisory committee's deliberations, consultation with key stakeholders, residents, landowners and other Victorian Government bodies was undertaken. The advisory committee has now submitted its recommendations and I have considered the issues raised.
