Amendments Online

Amendment VC139:

- Introduces new planning requirements for racing dog keeping and training facilities;
- Introduces new guidelines for apartment developments;
- Removes redundant references to the Guidelines for Higher Density Residential Development (Department of Sustainability and Environment, 2005), Design Guidelines for Higher Density Residential Development (Department of Sustainability and Environment, 2004), Safer Design Guidelines for Victoria (Crime Prevention Victoria and Department of Sustainability and Environment, 2005) and Activity Centre Design Guidelines (Department of Sustainability and Environment, 2005) in the State Planning Policy Framework (SPPF) and zones and inserts references to the Urban Design Guidelines for Victoria (Department of Environment, Land, Water and Planning, 2017) in the SPPF; and
- Introduces a new State planning policy for healthy neighbourhoods.

Associated new Planning Practice Note 83: Assessing external noise impacts for apartment.
