APPROVALS

- [VC152](#) establishes planning policy for the management of land for major hazard facilities and their respective buffer distances; Implements a new particular provision to support a simpler and straightforward development assessment process for residential aged care facilities. Introduces permit exemptions for community care accommodation to enable the streamlined renewal and development of these facilities, and provides clarity on the extent of permit exemptions for rooming houses.
- [VC154](#) implements initiatives from *Plan Melbourne 2017-2050* and *Water for Victoria – Water Plan* by modifying the Planning Policy Framework to reflect integrated water management objectives and by introducing a new particular provision for stormwater management in urban development.
- [VC155](#) amends the Planning Policy Framework at Clause 15.03 Heritage to introduce a new strategy to consider the restoration or reconstruction of a heritage building that has been unlawfully or unintentionally demolished, and inserts 'The Burra Charter: The Australia ICOMOS Charter for Places of Cultural Significance, 2013' as a policy guideline; Makes minor changes to the wording of the residential rooftop solar energy facility provisions recently introduced by Amendment VC149 to ensure that they are clear and unambiguous with respect to their intended operation.
