Request to be heard?: No,

Full Name: Terence Joseph Pearce

Organisation: No

Address: [REDACTED]

[REDACTED] [REDACTED]

Affected property: [REDACTED]

Attachment: engage.vic.gov.au

Comments: The tunnel will create more congestion in the Western suburbs and more pollution. It will be nearly impossible for residents in Williamstown, Altona, Altona North, Newport and Spotswood to get out of their own suburbs heading north because of the increase in truck traffic. Melbourne Road, Millers Road and Douglas Parade will be in constant gridlock. This tunnel is all about profits for Transurban and in no way helping traffic congestion in Melbourne and Melbourne's West.
