Amendments Online

APPROVAL

- GC69 (Melton and Moorabool) facilitates the Ballarat Line Upgrade (project) by allowing the use and development of land for the project in accordance with the Ballarat Line Upgrade Incorporated Document, September 2017; and making the Minister for Planning the responsible authority for administering and enforcing the provisions of the Melton and Moorabool Planning Schemes as they relate to the project.

LAPSED

- Moreland C161

EXHIBITIONS

- Boroondara C268 proposes to correct a number of errors and anomalies including mapping errors, redundant overlay provisions, land affected by multiple zones and land where the zone is inconsistent with its use or ownership.
- Swan Hill C065 proposes to correct a number of zoning anomalies primarily with regards to rezoning freehold land from a public use zone to Farming Zone and vice versa.
