

The Hon Richard Wynne, Minister for Planning

Response to the Regional Parks Standing Advisory Committee

I referred the proposed amendment to facilitate the Clyde, Kororoit Creek and Werribee Township regional parks to the Regional Parks Standing Advisory Committee (advisory committee) for review and consideration.

To inform the advisory committee's deliberations, consultation with key stakeholders, residents, landowners and other Victorian Government bodies was undertaken. The advisory committee has now submitted its recommendations and I have considered the issues raised.
