Dear Submitter

## **Priority Projects Standing Advisory Committee Referral 18 | 196 – 206 High Street, Windsor**

---

The Minister for Planning has referred the above matter to the Priority Projects Standing Advisory Committee (the Committee). You are receiving this letter because you responded to consultation from the Department of Environment, Land, Water and Planning about proposed Draft Amendment C313ston and draft planning permit PA2101189.

The proposed draft amendment C313 to the Stonnington Planning Scheme proposes the use and development of land for a six-storey building with two basement levels comprising retail, office floorspace, a reduction in car parking and alteration of an access to a Road Zone Category 1. The Minister is considering this matter as a combined permit and amendment process under Part 4, Division 5 the *Planning and Environment Act 1987* (the Act).

The Minister for Planning appointed the Committee under section 151 of the Act. Committee Members Geoff Underwood (Chair) and Andrew Hutson will consider this referral. This matter will be known as Referral 18.

The Committee will be supported by Georgia Thomas, Project Officer of Planning Panels Victoria (PPV).

The Minister for Planning has issued the Committee with Terms of Reference dated 14 June 2020 and Letter of Referral dated 15 August 2021 (both attached). In accordance with these documents, the purpose of the Committee is to:

- provide timely and independent advice to the Minister for Planning on projects referred by the Development Facilitation Team of the Department of Environment, Land, Water and Planning, and projects affected by COVID-19.
- provide advice and recommendations about:
  - whether planning approval should be given for the proposed development
  - the drafting of proposed Amendment C313ston
  - whether planning permit PA2101189 should be issued, and if so, the appropriate conditions taking into consideration the matters raised in submissions received and the previous VCAT decision.

### **Form of engagement:**

Clause 16 of the Committee's Terms of Reference provides that the Committee is not expected to carry out a public hearing or roundtable discussion but may do so if it is deemed necessary. The Committee considers a Hearing is required for Referral 18 and invites you to participate in the process.
