

## 4.2 Sample profiles (continued)

### 4.2.1 Rear Profiles

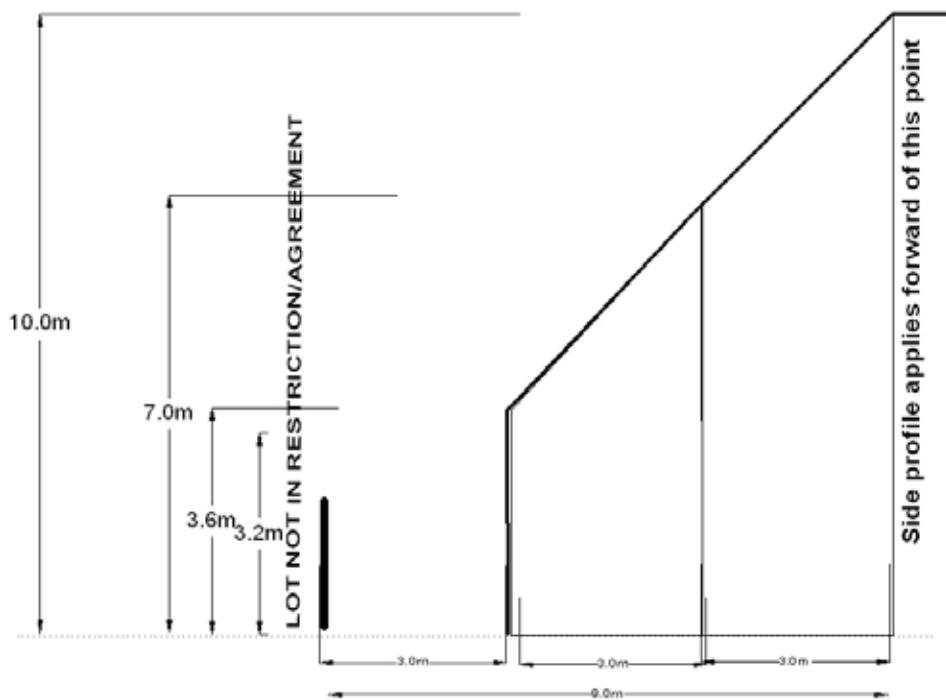

**REAR SETBACK PROFILE FOR SOUTH BOUNDARY  
ADJOINING REAR PRIVATE OPEN SPACE OR SIDE SETBACK  
OF ANOTHER LOT IN SAME RESTRICTION/AGREEMENT- RP-B**

\* Along side boundaries within the area covered by the rear setback profile, height/setback ratios of side setback profiles apply, but overlooking is dealt with by the rear profile. Rear profile does not apply forward of the highest point of that profile.

**RP-B - Rear profile B - south facing setback  
for solar access to private open space on lot\***

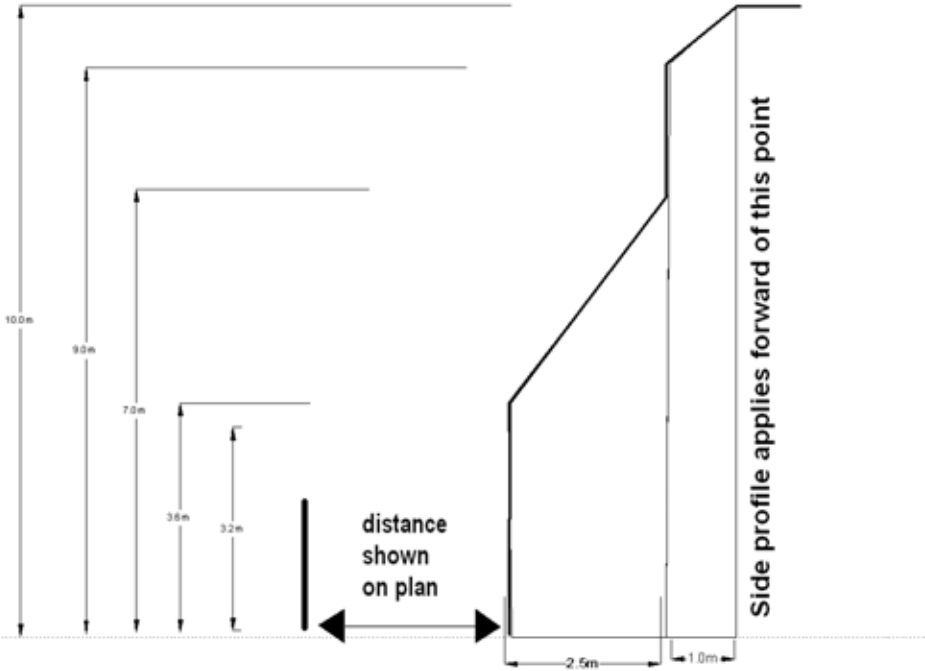

**REAR SETBACKS ADJOINING LOT  
NOT IN RESTRICTION/AGREEMENT - RP-C**

\* This profile only deals with height and setbacks (VPP CI 54 standards A4, A10 and A11). Refer to the relevant planning scheme or building regulations applying to single dwellings for all other matters relating to adjoining property not part of same restriction/agreement

**Rear profile C - RP-C - rear profile adjoining lot not in same restriction/agreement\***

**REAR SETBACK DIAGRAM IF SETBACK  
DISTANCE SHOWN ON PLAN - RP-X**

**Rear profile RP-X - setback of first wall from rear boundary is shown on a plan**
