Dissatisfied

Q57. **Would you recommend any changes to the standard addressing water management?** Yes

---

Q58. **If yes, please specify.**

Water collection and re use should be mandatory

---

Q59. **You can submit your comments in the text box below.**

Minimum apartment sizes should be included to prevent developers building under the student housing pretext. Maximum building heights should be included - the assumption that high rise apartments are the only solution to Melbourne's housing issues should be questioned. Required densities could be achieved with max 7 storey buildings in all areas other than CBD

---

Q60. **If you prefer, your comments may be attached in a separate document in either Microsoft Word or Adobe Acrobat PDF format.** not answered

---

Q61. **Privacy Options** I request my comments to be published anonymously with my suburb/town but no other details

---

Q62. **Request for confidentiality reasons**

not answered

---

Q63. **Do you agree to the third party information statement?** I agree

---

Q64. **Do you agree to the intellectual property rights statement?** I agree

---
