*Settlements shown on the map include those places defined by ABS as urban centres and population sizes shown on this map are based on data aggregated from 2010 ERP at CCD (ABS data) and the Towns in Time database.

**The Campaspe Shire Council area is part of the Loddon Mallee region for which separate regional growth plans are being prepared. Settlements within the Campaspe Shire Council are shown on this map to recognise that there is a strong functional relationship between these places and areas of the Hume Region.
