**1. What is your interest in the Great Ocean Road Region?**

Secondary residence

Recreation

Tourist

**2. Are you completing this survey on behalf of an organisation?**

**3. How many times did you travel along the Great Ocean Road (any section between Torquay and Allansford) in the last 6 months?**

2 - 4 times

**4. What do you love most about the Great Ocean Road and its landscapes?**

Combination of ocean views next to green hills and mountain ranges.

Wet tree fern gullies.

**5. What aspect of the Great Ocean Road and its landscapes would you most like to see protected?**

Natural environment - beaches, conservation areas, natural gullies.

**6. What aspect of the Great Ocean Road and its landscapes would you most like to see changed?**

Road upgrades for safety.

Improved public transport.

Improve walking and cycle paths - this will also help with local congestion.

More toilets and rest stops - these could also include better visitor information and support such as first aid stops, emergency information.

**7. Do you work for, own or operate a business, or are you a member of a community organisation, that benefits from visitors to the Great Ocean Road Region?**

**8. Is there any critical issue or opportunity that we have missed (in chapter 3 of the Issues Paper)?**

Planning approvals - make allowances for easier and more frequent construction of tiny homes which are affordable, safe, and sustainable. These have the potential to help with improving visitation whilst keeping development areas to a minimum area.

**9. Do you have any suggested changes to the overarching policy, goals and principles (pages 40 - 41) in the Issues Paper?**

Include improving sustainability and resilience of the region to natural disasters such as fires, floods, climate change.

**10. What elements would you like to see covered in a Strategic Framework Plan for the Great Ocean Road Region?**

Sustainability, climate change, links to biodiversity plans. How economic develop can support conservation of biodiversity.

**11. What are your thoughts about establishing a new organisation to oversee the development, and coordinate implementation, of a Strategic Framework Plan for the Great Ocean Road Region?**

Great idea!

**12. What current constraints need to be addressed in the future governance arrangements?**

Make sure the lead agency has sufficient funds to resource and manage the plan on a long term basis.

**13. Are there any other management models /options we should consider?**

**14. What key criteria should the Taskforce use to evaluate the management model options?**

What is your age range?
