**1. What is your interest in the Great Ocean Road Region?**

Regular visitor

Recreation

**2. Are you completing this survey on behalf of an organisation?**

**3. How many times did you travel along the Great Ocean Road (any section between Torquay and Allansford) in the last 6 months?**

2 - 4 times

**4. What do you love most about the Great Ocean Road and its landscapes?**

That there is still so much area that is untouched by development, and as much as possible left as nature intended.

**5. What aspect of the Great Ocean Road and its landscapes would you most like to see protected?**

"The flora and fauna habitat, the foreshore, marine areas, cliffs, sand dunes and hillsides. Protect it from commercial development, any more resorts and ridiculous amounts of housing development.

Torquay is a prime example of what NOT TO DO. Torquay is now just one huge housing estate. This is disgusting and must stop at Torquay and not creep further along Great Ocean Road."

**6. What aspect of the Great Ocean Road and its landscapes would you most like to see changed?**

"The road maintained to a high quality, and of utmost safety. Car park facilities and lookouts/viewing points maintained or expanded slightly. Duplication of road only provided for overtaking lanes and nothing more.

NO MORE DEVELOPMENT.

The flora and fauna habitat, the foreshore, marine areas, cliffs, sand dunes and hillsides. Protect it from commercial development, any more resorts and ridiculous amounts of housing development."

**7. Do you work for, own or operate a business, or are you a member of a community organisation, that benefits from visitors to the Great Ocean Road Region?**

**8. Is there any critical issue or opportunity that we have missed (in chapter 3 of the Issues Paper)?**

**9. Do you have any suggested changes to the overarching policy, goals and principles (pages 40 - 41) in the Issues Paper?**

**10. What elements would you like to see covered in a Strategic Framework Plan for the Great Ocean Road Region?**

"Development restrictions in all areas surrounding Great Ocean Road

Habitat protection

Flora and Fauna protection

Road improvement and management"

**11. What are your thoughts about establishing a new organisation to oversee the development, and coordinate implementation, of a Strategic Framework Plan for the Great Ocean Road Region?**

Yes, as long as it reduces as much duplication of duties and oversight as possible. And is open and accessible to public consultation and input.

**12. What current constraints need to be addressed in the future governance arrangements?**

**13. Are there any other management models /options we should consider?**

**14. What key criteria should the Taskforce use to evaluate the management model options?**

**What is your age range?**
