Request to be heard?: No

**Full Name:** Jaroslav Koptchak

**Organisation:**

**Address:** 31 Heather Ave

Brooklyn

3012

**Affected property:**

**Attachment:** [engage.vic.gov.au](https://engage.vic.gov.au)

**Comments:** My biggest concern is that completion of West Gate Tunnel project will result in increase up to 7000 trucks on Millers Road, Brooklyn, already one of the most polluted suburbs in Melbourne. Millers road in is already very congested - in peak times we can't even get into Millers road because is bumper to bumper between Geelong road and West Gate freeway. Also, vehicles exhaust gases will only make ecological situation in Brooklyn even worse and as mentioned before already very critical -
