1. **What is your interest in the Great Ocean Road Region?**

Primary residence

2. **Are you completing this survey on behalf of an organisation?**

[REDACTED]

3. **How many times did you travel along the Great Ocean Road (any section between Torquay and Allansford) in the last 6 months?**

Most weeks

4. **What do you love most about the Great Ocean Road and its landscapes?**

Iconic part of Australia - tourism.

Magnificent views of natural environment.

Has had significant investment already that should be further supported.

5. **What aspect of the Great Ocean Road and its landscapes would you most like to see protected?**

Ability for travelling tourists to interact with natural environment. Towns along road have kept their individual

6. **What aspect of the Great Ocean Road and its landscapes would you most like to see changed?**

Better management of road. Significant investment is needed to repair road as was illustrated in aftermath of Wye River- Sep Creek Fire, with fire impacting landscape causing an increase in landslide activity. Road not able to cope with this, causing road closures impacting tourism/ local business etc.

No

10. **What elements would you like to see covered in a Strategic Framework Plan for the Great Ocean Road Region?**

NA

11. **What are your thoughts about establishing a new organisation to oversee the development, and coordinate implementation, of a Strategic Framework Plan for the Great Ocean Road Region?**

Definitely required- this will have a single point of focus and deliverables - for an international asset.

12. **What current constraints need to be addressed in the future governance arrangements?**

Multiple managers of road (VicRoads), GORCC (natural landscape), Councils (surrounding areas) need to be consulted and part of final arrangements. However, as mentioned in 12. there ultimately needs to be a new organisation needs to oversee Strategic Framework Plan.

13. **Are there any other management models /options we should consider?**

NA

14. **What key criteria should the Taskforce use to evaluate the management model options?**

NA
