

Attachment 22 – List of Project Investigations

Aither 2014. Social and economic assessment- Nyah Water Management Works, Benefits for the Basin Plan Sustainable Diversion Limits offset program business case. Report for the Mallee CMA.

Aitken Rowe 2012. Geotechnical investigation – Nyah and Vinifera Water Management Options, Nyah and Vinifera, Vic. Report by Aitken Rowe to Alluvium.

Alluvium 2013. Nyah Management Project SDL Adjustment Supply Measure Phase 1 Submission. Mallee Catchment Management Authority Mildura, Vic.

Alluvium 2013. Nyah Park Water Management Options Project. Report for the Mallee Catchment Management Authority

Brown, G., D. Bryant, and G. Horrocks 2013. Terrestrial vertebrate fauna surveys of the Burra Creek and Nyah-Vinifera reserves, northern Victoria. Irymple: Arthur Rylah Institute Report to Mallee Catchment Management Authority.

Bennett et al (2007). Valuing the protection of Victorian Forests: Murray River Red Gums and East Gippsland. Funded by Victorian Environmental Assessment Council, Crawford School, ANU.

Cook 2012. Preliminary investigation of the floodplain vegetation of Nyah-Vinifera Forest. Patterson Lakes, Victoria: Australian Ecosystems report prepared for Wadi Wadi Community and Friends of the Earth.

Cunningham, S.C., P. Griffioen, M. White, and R. MacNally. Mapping the condition of river red gum (*Eucalyptus camaldulensis* Dehnh.) and black box (*Eucalyptus largiflorens* F. Muell.) stands in The Living Murray Icon Sites. Stand condition report 2010. Canberra: Murray-Darling Basin Authority, 2011

Davies, P., J. Harris, T. Hillman, and K. Walker 2008. Sustainable Rivers Audit SRA Report 1. A report on the ecological health of rivers in the Murray-Darling Basin 2004-2007. Canberra: Murray-Darling Basin Commission.

DSE 2011. Nyah Vinifera Floodplain Management Unit Environmental Water Management Plan. Department of Sustainability and Environment. Melbourne, Victoria

DSE 2012. Environmental Watering in Victoria 2010/11. Department of Sustainability and Environment, Melbourne, Victoria.

DEPI 2014. Ecological Vegetation Classes by Bioregion, Department of Environment and Primary Industries, Victoria.

Ecological Associates 2006. Investigation of Water Management Options for the Murray River - Nyah to Robinvale. Irymple: Ecological Associates Report AL009-4B prepared for Mallee Catchment Management Authority, Irymple, Victoria.

Ecological Associates Pty Ltd. 2007. Final Report: Water Management Options for the River Murray – Nyah to Robinvale Stage II. Report to the Mallee Catchment Management Authority, Mildura.

Ecological Associates 2014. SDL Floodplain Watering Projects: Rationale and Outcomes, Report AL040-1-D. Report for the Mallee CMA.

Ecological Associates 2014. SDL Floodplain Watering Projects: Monitoring and Evaluation. Ecological Associates report AL045-1-B. Report for the Mallee Catchment Management Authority, Irymple, Victoria.

Ecological Associates, 2014. SDL Floodplain Watering Projects : Operational Plan. Report prepared for Mallee CMA, Irymple.

Fuller D.A., & Telfer A.L., 2007. Salinity Impact Assessment Framework – Living Murray Works and Measures Consultancy report by URS and AWE for Murray Darling Basin Commission, April 2007.

GHD 2013. Flora Census Summary Report – Burra, Nyah and Vinifera SDL sites. GHD, Melbourne, Victoria.

GHD 2014. Nyah, Vinifera and Burra Creek – Review of Water Management Options and Concept Designs. 31/31585. Report for the Mallee CMA.

GHD 2014. Basin Plan Environmental Works Program: Approvals Strategy. Report for the Department of Environment and Primary Industries.

Gippel, C.J. 2014. Spells analysis of modelled flow for the River Murray from Swan Hill to the South Australia Border. Fluvial Systems Pty Ltd, Stockton. Mallee CMA November

Golworthy Consulting 2014. SDL Offsets Projects, Statutory Approval Requirements, Belsar, Burra, Hattah, Lindsay, Nyah, Vinifera and Wallpolla. Report for the Mallee CMA.

Grinter, B., Edwards, A. & Bell, J 2014. Nyah-Vinifera Park, River Red Gums National Park Due Diligence Assessment. Jo Bell Heritage Services Pty. Ltd. Euroa, Victoria.

Hames, F. 2014. Fish Passage Workshop. Arthur Rylah Institute for Environmental Research Unpublished Client

Jacobs 2014. Hydrodynamic modelling of SDL sites - Nyah preliminary modelling report. Irymple, Victoria: Jacobs report prepared for Mallee Catchment Management Authority.

Jacobs 2014. SDL Adjustment Supply Measures Advanced Concept Design Report – Nyah Park. Report for the Mallee CMA.

Lloyd Environmental 2014. SDL offsets projects – risks investigation, assessment and management strategy. Report for the Mallee CMA.

Ning, N., Linklater, D., Baldwin, D. and Baumgartner, L. 2014. Assessing the Risk of Hypoxic Blackwater Generation at Proposed SDL Offset Project Sites on the Lower River Murray Floodplain. Report prepared for the Mallee Catchment Management Authority, Victoria.

REM 2005. Floodplain groundwater processes Nyah to Robinvale, report prepared for Ecological Associates, December 2005

REM 2005b. Investigation of Water Management Options for the Murray River – Nyah to Robinvale: Progress Report 2 – Values and Threats, report prepared for the Mallee Catchment Management Authority, February 2005

REM 2006. Progress Report 1, Water Management Options for the River Murray – Nyah to Robinvale Stage 2, report prepared for the Mallee Catchment Management Authority, December 2006

REM 2008. Floodplain Salinity Investigations – Lock 10 to 7 and Hydrological Investigations at Lock 7 and 9 weirs. Field Program Summary. Prepared for the Mallee Catchment Management Authority, December 2008.

SKM 2014. Preliminary Salinity Impact Assessment for Mallee Environmental Watering Projects – other sites. Report for the Mallee CMA.

Thorne R., Hoxley G. and Chaplin H., 1990. Nyah to the South Australian Border Hydrogeological Project, Cross Sections and Plans. Rural Water Commission of Victoria, Investigations Branch Report 1988/5, June 1990. VEAC 2008. River Red Gum Forests Investigation. Victorian Environmental Assessment Council, East Melbourne, Victoria.

Water Technology 2014. Mallee CMA Sustainable Diversion Limit Offset, Water Resourcing Arrangement. Report prepared for Mallee Catchment Management Authority, Irymple, Victoria.
