Map 6: Existing urban settlement network

Settlement Population*

- Hume Region boundary
- Surrounding towns
- Sub-region boundary
- Campaspe boundary**
- Major road network
- Railway line
- Public land

*Settlements shown on the map include those places defined by ABS as urban centres and population cities shown on this map are based on data aggregated from the 2016/17 CPRS data and the Towns In Time database.

**The Campaspe Shire Council area is part of the Loddon-Mallee region for which separate regional growth plans are being prepared. Settlements within the Campaspe Shire Council are shown on this map to recognise that there is a strong functional relationship between these places and areas of the Hume Region.
