1. What is your interest in the Great Ocean Road Region?

Primary residence

Regular visitor

Recreation

2. Are you completing this survey on behalf of an organisation?

3. How many times did you travel along the Great Ocean Road (any section between Torquay and Allansford) in the last 6 months?

Most months

4. What do you love most about the Great Ocean Road and its landscapes?

The scenery and accessibility. That the forest and the ocean are protected and linked along most of its length. That development is contained and appropriate.

5. What aspect of the Great Ocean Road and its landscapes would you most like to see protected?

Development is appropriate and contained. Accessibility is open to general public and safe without being over restricted. The rivers and streams need to remain healthy.

6. What aspect of the Great Ocean Road and its landscapes would you most like to see changed?

Appropriate accommodation and development to allow tourist to enjoy the GOR in a high level of comfort and able to meet demand. Tourist given a greater opportunity to stay for overnight tours and not the quest for a one day dash.

7. Do you work for, own or operate a business, or are you a member of a community organisation, that benefits from visitors to the Great Ocean Road Region?

NO. But I have in the past and the potential to do so in the future is positive.

8. Is there any critical issue or opportunity that we have missed (in chapter 3 of the Issues Paper)?

Not really. There needs to be a new body to oversee the management and development of the GOR and its tourism resource.

9. Do you have any suggested changes to the overarching policy, goals and principles (pages 40 - 41) in the Issues Paper?

Again not really but to highlight the fact that the body could be of the likes of the old Alpine Resorts Commission that oversaw a very good management of development of the Alpine region

10. What elements would you like to see covered in a Strategic Framework Plan for the Great Ocean Road Region?

11. What are your thoughts about establishing a new organisation to oversee the development, and coordinate implementation, of a Strategic Framework Plan for the Great Ocean Road Region?

As above. It should be a new body that has the ability to coordinate and manage the framework that has been developed. Again along the lines of the ARC.

12. What current constraints need to be addressed in the future governance arrangements?

The cross over between National oversight (National Parks) and State forest/parks and what can be done within them.

13. Are there any other management models /options we should consider?

Alpine Resorts Commission.

14. What key criteria should the Taskforce use to evaluate the management model options?

What is your age range?
