1. What is your interest in the Great Ocean Road Region?

Primary residence

2. Are you completing this survey on behalf of an organisation?

no

3. How many times did you travel along the Great Ocean Road (any section between Torquay and Allansford) in the last 6 months?

Most days

4. What do you love most about the Great Ocean Road and its landscapes?

environment both beach and bush. its isolation. lack of major developments outside of the major growth areas.

5. What aspect of the Great Ocean Road and its landscapes would you most like to see protected?

The natural environment and pull ins where I can stop to look out at random times to view surfing, whales and dolphins etc. the lack of development outside of townships, lack of advertising signage. the small townships/villages kept small.

6. What aspect of the Great Ocean Road and its landscapes would you most like to see changed?

Walking and cycling lane to enhance independent travellers rather than bus loads that drive through without stopping or spending in the smaller towns. More indigenous information boards. Cleaning of popular fishing spots and composting toilets and rubbish collections.

Reduction in the number of planned road closures for events that do not have alternative routes for locals to use.

7. Do you work for, own or operate a business, or are you a member of a community organisation, that benefits from visitors to the Great Ocean Road Region?

we do not benefit from visitors but I work at a hospital on the GOR so are impacted by visitor numbers.

8. Is there any critical issue or opportunity that we have missed (in chapter 3 of the Issues Paper)?

Number of vline bus stops along the road to enhance use of public transport and the positioning of stops.

9. Do you have any suggested changes to the overarching policy, goals and principles (pages 40 - 41) in the Issues Paper?

10. What elements would you like to see covered in a Strategic Framework Plan for the Great Ocean Road Region?

11. What are your thoughts about establishing a new organisation to oversee the development, and coordinate implementation, of a Strategic Framework Plan for the Great Ocean Road Region?

My concerns would be about the cost of such an organisation and how much of available funding would be used by the organisation itself and its management.

12. What current constraints need to be addressed in the future governance arrangements?

13. Are there any other management models /options we should consider?

14. What key criteria should the Taskforce use to evaluate the management model options?

What is your age range?
