

# Funded Projects

Living Local Fund

Department  
of Transport  
and Planning

## Living Local Fund (2022/23)

As more Melburnians worked and socialised locally, the \$15 million fund strengthened metropolitan communities through the Suburban and Community Grants programs under the Our Suburbs: Living Local Fund.

These grants supported projects aligned with 20-minute neighbourhood principles, including playgrounds, gardens, halls, paths, lighting, and public art upgrades.
