

## Sorrento Ferry Terminal Traffic Advisory Committee – Member Biographies

Surname	First Name	Biography
Wimbush (Chair)	Nick	Nick Wimbush is a Senior Panel Member at Planning Panels Victoria. He has nearly 30 years' experience in a variety of State and Local Government roles in Western Australia and Victoria including managing environmental impact assessment of major road projects with the West Australian Environment Protection Authority and advising the Victorian Government in senior roles in coastal planning and development. He has extensive experience in the private sector in Western Australia, Indonesia and Victoria both with consulting firms and after founding and running his own environmental consultancy from 2002-2006. Since 2006 Nick has been a full time Senior Panel Member with Planning Panels Victoria responsible for chairing or being a member of well over 100 environment effects inquiries, panels and advisory committees. Nick was a sessional lecturer at postgraduate level in natural resource management at RMIT University in Melbourne from 2002-2006 and has lectured in planning and environmental law at Monash University, Melbourne University and RMIT University. Nick hold qualifications in Environmental Science, Public Policy and Law. He is a Fellow of the Victorian Planning and Environmental Law Association, a member of the Environment Institute of Australia and New Zealand and a member of the National Environmental Law Association.
Davis	Brett	Brett Davis is a qualified town planner with over 24 years' experience in project management, urban and strategic planning, property, and development management and facilitation. Brett is a past President of the Planning Institute of Australia (Vic Division), and served as the Victorian Division's Vice-President from 2009-2011 and President from 2011-2013. He is a Fellow of the Leadership Ballarat and Western Region Program. From 2011-2015, Brett was a member of the Building Appeals Board. Brett has worked throughout Australia on numerous large-scale projects and led multi-disciplinary teams for public and private organisations. Brett has chaired significant planning scheme amendments and advisory committees including the Melbourne Central City Built Form review, Macedon Ranges Protection Advisory Committee, Precinct Structure Plans and many other matters. He is currently deputy chair of the Government Land Standing Advisory Committee.
Partenio	Kate	Kate Partenio is a qualified civil and traffic engineer and Sessional Panel Member at Planning Panels Victoria. She has worked as a traffic engineer and transport planner in private practice for 19 years, and in local government for 4 years. She was a director of GTA Consultants from 1999-2014. Kate has transport expertise in land use planning, strategic planning, master planning, traffic impact assessments, car parking, design and road safety. Kate has previously been a member of the Melbourne Metro Rail EES Inquiry and Advisory Committee and is currently a member on the Victorian Transport Projects Integrated Development Opportunities Standing Advisory Committee and the West Gate Tunnel Inquiry and Advisory Committee. Kate holds an undergraduate qualification in civil engineering and a post graduate qualification in traffic engineering and transport planning.
