### **New Form submission on Planning for Melbourne's Industrial and Commercial Land**

Hi planning.implementation@delwp.vic.gov.au

There has been a submission on [Planning for Melbourne's Industrial and Commercial Land](#) through Engage Victoria

A copy of the submission is provided as below:

#### **Planning principles and strategies for employment land.**

The draft Melbourne industrial and commercial land use plan includes principles and strategies to guide planning for industrial and commercial land. (page 32).

**Do you think the principles and strategies provide enough clarity and guidance to assist planning for industrial and commercial land?**

No

**If no, please let us know why and how they could be improved.**

Regulations are not consistent

Too many restrictions and red tape

Ease in up on restrictions from zone to zone. Every business should and in most cases are responsible for their own actions within their own property. It should not be the neighbours responsibilities what other do.

### **Criteria to identify regionally-significant industrial precincts.**

Plan Melbourne identifies state-significant industrial precincts. The draft Melbourne industrial and commercial land use plan identifies regionally-significant industrial precincts and includes criteria used as the basis to identify these locations (page 34).

**Do you support the criteria developed to identify regionally-significant industrial precincts?**

Yes

**If no, please let us know why and how they could be improved.**

### **Purpose for regionally-significant industrial precincts and local industrial precincts.**

Plan Melbourne outlines a purpose for state-significant industrial precincts. The draft Melbourne industrial and commercial land use plan identifies a purpose for regionally-significant industrial precincts and local industrial precincts (page 35).

**Do you support the purpose developed for regionally-significant industrial precincts and local industrial precincts?**

Yes

**If no, please let us know why and how they could be improved.**

### **Developing local industrial land use strategies.**

Appendix 2 of the draft Melbourne industrial and commercial land use plan proposes guidance for developing local industrial land use strategies.

**Do you have any comments or suggestions to improve the guidance for developing local industrial land use strategies?**

No

### **Key industrial and commercial areas.**

The draft Melbourne industrial and commercial land use plan identifies and describes key industrial and commercial areas for each of the six metropolitan regions (refer to Part B of the plan).

**Have the key industrial and commercial areas been adequately identified and described across the regions?**

Yes

**If no, please let us know which other area we should identify or how the areas can be better described.**
