Plan of Contours Derived from UAV Digital Photogrammetry
Cape Otway Road, Modewarre

Important Notes:
- The error of margin for horizontal and vertical coordinates is ±0.2m.
- The contours shown on this plan have been derived from a point cloud of UAV photo pixels.
- Some pixels have been removed through an algorithm to remove pixels on elevated objects (houses, trees, buildings, etc.).
- Some pixels may still be used in the determining of contours.
- A site inspection and contour verification should be undertaken prior to using the contours for design or construction purposes.
- A site verification of the information on this plan has not been undertaken by TGM.
