**1. What is your interest in the Great Ocean Road Region?**

Secondary residence

Recreation

**2. Are you completing this survey on behalf of an organisation?**

**3. How many times did you travel along the Great Ocean Road (any section between Torquay and Allansford) in the last 6 months?**

Most weeks

**4. What do you love most about the Great Ocean Road and its landscapes?**

The ocean vista, the history of the road and the Otways meeting the coast.

**5. What aspect of the Great Ocean Road and its landscapes would you most like to see protected?**

Coastal protection from erosion especially at North Lorne and the pier precinct.

Maintaining a non commercial approach to the Twelve Apostles precinct yet allowing for adequate vehicle parking.

There is a definite need for rubbish receptacles at all major viewing turnouts along the road to enhance the visual pleasure of the road for all who visit.

**6. What aspect of the Great Ocean Road and its landscapes would you most like to see changed?**

Rubbish bins at all turn outs.

Public toilets at the GOR arch and safer off road parking.

**7. Do you work for, own or operate a business, or are you a member of a community organisation, that benefits from visitors to the Great Ocean Road Region?**

No

**8. Is there any critical issue or opportunity that we have missed (in chapter 3 of the Issues Paper)?**

With the pending redevelopment of Pt Grey - Lorne, it is of concern how thru traffic will be catered for with long vehicle, short term parking so that the Lorne pier and its surrounds can play an important part in regards to tourist experiences and input to the local economy.

**9. Do you have any suggested changes to the overarching policy, goals and principles (pages 40 - 41) in the Issues Paper?**

No.

**10. What elements would you like to see covered in a Strategic Framework Plan for the Great Ocean Road Region?**

**11. What are your thoughts about establishing a new organisation to oversee the development, and coordinate implementation, of a Strategic Framework Plan for the Great Ocean Road Region?**

**12. What current constraints need to be addressed in the future governance arrangements?**

**13. Are there any other management models /options we should consider?**

Study world wide best practice in regards to management of iconic environmental wonders of the world.

**14. What key criteria should the Taskforce use to evaluate the management model options?**

Local input from all Local communities is crucial.

Assessment of international successful management models.

**What is your age range?**
