

List of key project investigations – Hattah North Floodplain Restoration Project

Aither (2014). *Social and economic assessment- Hattah Lakes Water Management Works, Benefits for the Basin Plan Sustainable Diversion Limits Offset Program Business Case*. Report for the Mallee Catchment Management Authority.

Arthur Rylah Institute for Environmental Research (ARI) (2018). *SDL Fish Management Plan: Hattah Lakes, December 2018*. Report prepared for Mallee Catchment Management Authority.

Australian Ecosystems (2014). *Hattah North and Belsar Yungera Islands Flora Census 2013*. Prepared for the Mallee Catchment Management Authority.

Australian Ecosystems (2015). *Hattah North SDL Project Flora and Fauna Assessment – Detailed Design Stage Final Report*, dated December 2015. Prepared for the Mallee Catchment Management Authority.

Ecological Associates (2007). *Feasibility Investigation of Options for the Hattah Lakes*. Irymple, Victoria: Ecological Associates Report AL006-3-A. Prepared for the Mallee Catchment Management Authority.

Ecological Associates (2007). *Investigation of Options for the Delivery of Environmental Flows to Dry Lakes, Lake Boolca and Adjacent Floodplain*. Irymple, Victoria: Ecological Associates Report AL023-2-B. Prepared for the Mallee Catchment Management Authority.

Ecological Associates (2014). *SDL Rationale and Outcomes*. Ecological Associates report AL040-1D. Prepared for the Mallee Catchment Management Authority.

Ecological Associates (2014). *SDL Floodplain Watering Projects: Monitoring and Evaluation*. Report AL045-1-B. Prepared for the Mallee Catchment Management Authority.

Ecological Associates (2015). *SDL Floodplain Watering Projects: Operating Plans*. Ecological Associates report AL048-1-B prepared for Mallee Catchment Management Authority.

GHD (2009). *Hattah Lakes Flood Management Project, Geotechnical Investigations Report*, GHD report ref. 31/21413/165795. Report prepared for Goulburn Murray Water.

GHD (2010). *Hattah Lakes Floodplain Management Project, Hattah Lakes Borrow Pit Assessment*, GHD report ref. 31/21413/188158. Report prepared for Goulburn Murray Water.

GHD (2012). *Hattah Lakes Water Management Options Investigation: Part A – Options Assessment*. Prepared for the Mallee Catchment Management Authority.

GHD (2012). *Hattah Lakes Water Management Options Investigation: Part B – Concept Development and Design*. Prepared for the Mallee Catchment Management Authority.

GHD (2014). *Hattah Lakes SDL Adjustment Supply Measures Advanced Concept Design Report*. Prepared for the Mallee Catchment Management Authority.

GHD (2014). *SDL Offsets - Fauna Survey - Hattah North and Belsar Yungera 2013*. Prepared for the Mallee Catchment Management Authority.

GHD (2018). *SDL Targeted Flora and Fauna Surveys, Hattah North Ecological Assessment*, dated April 2018. Prepared for the Mallee Catchment Management Authority.

Gippel, C.J. (2014). *Spells analysis of modelled flow for the River Murray from Swan Hill to the South Australia Border*. Fluvial Systems Pty Ltd, Stockton. Prepared for the Mallee Catchment Management Authority.

Hames, F. (2014). *Fish Passage Workshop, July 2014*. Arthur Rylah Institute for Environmental Research, Unpublished Client Report for Mallee Catchment Management Authority, Department of Environment and Primary Industries, Heidelberg, Victoria.

Jacobs (2014). *Hydrodynamic Modelling of SDL Sites – Hattah Lakes Report*. Final Report prepared for the Mallee Catchment Management Authority dated 4 December 2014.

Jacobs (2016). *SDL Offset Sites Hydrodynamic Modelling – Hattah Lakes Report*. Final Report prepared for the Mallee Catchment Management Authority dated 23 December 2016.

Jacobs (2016). *Hattah North SDL – Geotechnical Report*. Final Report prepared for the Mallee Catchment Management Authority dated 10 June 2016.

Jacobs (2016). *Hattah North SDL – Detailed Design Report*. Final Report prepared for the Mallee Catchment Management Authority dated July 2016.

Jacobs (2017). *Hattah Lakes North SDL Design Works Project: Draft Complex Cultural Heritage Management Plan No. 14330*, dated 19 October 2017. Prepared for the Mallee Catchment Management Authority.

Jo Bell Heritage Services Pty Ltd (2013). *Hattah Lakes Wetland System, Hattah-Kulkyne National Park, North West Victoria Due Diligence Assessment*, dated 8 October 2013. Prepared for the Mallee Catchment Management Authority.

Jo Bell Heritage Services Pty Ltd (2013). *Mallee Environmental Water Projects, Hattah Lakes Wetland System, North West Victoria, Due Diligence Assessment, Historical Archaeology*, dated 8 October 2013. Prepared for the Mallee Catchment Management Authority.

Lloyd Environmental (2014). *SDL Offsets Projects - Risks investigation, assessment and management strategy*, dated 14 July 2014. Report No. LE1409 prepared for Mallee Catchment Management Authority.

Mallee Catchment Management Authority and Department of Environment and Primary Industries (2014). *Sustainable Diversion Limit Adjustment – Phase 2 Assessment – Supply Measure Business Case: Hattah Lakes North Floodplain Management Project*.

R8 (2020) Victorian Murray Floodplain Restoration Project -Victorian Murray Floodplain Restoration Project - Flora and Fauna Assessment Report - Hattah North. Prepared for the Victorian Murray Floodplain Restoration Project. February 2020

SKM (2014). *Preliminary Salinity Impact Assessment for Mallee Environmental Watering Projects – other sites*. Report prepared for the Mallee Catchment Management Authority.
