DOCKLANDS ZONE

Shown on the planning scheme map as DZ with a number.

Purpose

To implement the State Planning Policy Framework and the Local Planning Policy Framework, including the Municipal Strategic Statement and local planning policies.

To ensure that use and development take account of the unique nature of the water environment.

To encourage a variety of dwelling types within the Melbourne Docklands area to suit a diversity of needs.

To ensure that development takes account of the relationship of the Melbourne Docklands area to the Central Activities District and the policies relating to the future development of the Central Activities District and other parts of the capital city.

To encourage visual and physical linkages between the Melbourne Docklands and adjacent areas, in particular the Central Business District.

To provide for the conservation and enhancement of buildings, areas and places of scientific, aesthetic, architectural or historical significance.

Use of land

Any requirement in the schedule to this zone must be met.

Application requirements

An application to use land must be accompanied by any information specified in the schedule to this zone.
Exemption from notice and review

The schedule to this zone may specify that an application is exempt from the notice requirements of Section 52(1)(a), (b) and (d), the decision requirements of Section 64(1), (2) and (3) and the review rights of Section 82(1) of the Act.

Decision guidelines

Before deciding on an application, in addition to the decision guidelines in Clause 65, the responsible authority must consider, as appropriate:

- The State Planning Policy Framework and the Local Planning Policy Framework, including the Municipal Strategic Statement and local planning policies.
- Any guidelines in the schedule to this zone.

37.05-3 Subdivision

37.05-4 Buildings and works

Permit requirement

A permit is required to construct a building or construct or carry out works, and to demolish or remove a building or works. This does not apply:

- If a schedule to this zone specifically states that a permit is not required;
where the construction, carrying out, demolition or removal complies with an Existing
Old Format Approval, as approved or varied with the consent of the responsible
authority, including any conditions of that approval.

‘Existing Old Format Approval’ means a development plan that was approved by the
responsible authority under Clause 415 of the former Melbourne Docklands Area Planning
Provisions (September 2006), excluding any described in the following table.

Any requirement in the schedule to this zone must be met.

An apartment development must meet the requirements of Clause 58.

Transitional provisions

Clause 58 does not apply to:

- An application for a planning permit lodged before the approval date of Amendment VC136.
- An application for an amendment of a permit under section 72 of the Act, if the original permit application was lodged before the approval date of Amendment VC136.

Application requirements

An application to construct a building or construct or carry out works must be accompanied by the following information as appropriate:

- An urban design written statement which must include details of:
  - The urban design and landscaping of the site, in the context of its surrounding area.
  - Pedestrian, watercraft and vehicle (including motorcycle and bicycle) access locations.
  - The provision of infrastructure on the site, and how the development relates to the overall infrastructure network of the Melbourne Docklands area.
- How the development provides for the conservation of and is compatible with buildings, areas or other places of scientific, aesthetic, architectural or historical importance where applicable.

- Any proposed demolition.

- The location, height, dimensions, design and floor area of all buildings and works.

- Elevations detailing facade articulation and external materials, colours and finishes.

- Proposed uses within all buildings.

- Stages, if any, in which the land is to be developed.

- Proposed vehicle (including motorcycle and bicycle) access and parking arrangements.

- The location of public transport facilities relative to the proposal, access to them and where appropriate, proposed passenger facilities.

- Provision for vehicle loading areas, including the location of rubbish storage and removal facilities.

- The location, layout and planting schedule for all landscaped areas.

- Any other requirement in the schedule to this zone.

An application to construct or extend an apartment development, or to construct or extend a dwelling in or forming part of an apartment development, must be accompanied by an urban context report and design response as required in Clause 58.01.

**Exemption from notice and review**

The schedule to this zone may specify that an application is exempt from the notice requirements of Section 52(1)(a), (b) and (d), the decision requirements of Section 64(1), (2) and (3) and the review rights of Section 82(1) of the Act.

**Decision guidelines**

Before deciding on an application, in addition to the decision guidelines in Clause 65, the responsible authority must consider, as appropriate:

- The State Planning Policy Framework and the Local Planning Policy Framework, including the Municipal Strategic Statement and local planning policies.

- For an apartment development, the objectives, standards and decision guidelines of Clause 58.

- Any guidelines in the schedule to this zone.

**37.05-5 Car parking**

Any requirement in relation to car parking in the schedule to this zone must be met.

**37.05-6 Advertising signs**

Advertising sign requirements are at Clause 52.05. This zone is in Category 3 unless a different requirement is specified in the schedule to this zone.
37.05-7  Effect of approved development plans

In respect of any land that has been developed pursuant to a development plan approved by the responsible authority prior to 7 April 2008 under Clause 415 of the former Melbourne Docklands Area Planning Provisions (September 2006), the use and development of the land must comply with the approved development plan, including any conditions which apply to the plan, except with the further consent of the responsible authority.

37.05-8  Environmental audits

Before a sensitive use (residential use, child care centre, pre-school centre, primary school, education centre or informal outdoor recreation) commences or before the construction or carrying out of buildings and works in association with a sensitive use commences, the timing for which must be to the satisfaction of the responsible authority having regard to the Melbourne Docklands Environmental Management Plan as amended, either:

- A certificate of environmental audit must be issued for the land in accordance with Part IXD of the Environment Protection Act 1970, or
- An environmental auditor appointed under the Environment Protection Act 1970 must make a statement in accordance with Part IXD of that Act that the environmental conditions of the land are suitable for the sensitive use.

Notes: Refer to the State Planning Policy Framework and the Local Planning Policy Framework, including the Municipal Strategic Statement, for strategies and policies which may affect the use and development of land.

Check whether an overlay also applies to the land.

Other requirements may also apply. These can be found at Particular Provisions.
